

# BILL SCOTT

## For Mayor of West Chester

May 15, 2009

Hello,

My name is Henri, I live around the corner in Town's Edge Apartments. My father, Bill Scott, is running for Mayor of West Chester in the primary election this Tuesday, May 19, 2009. It is important for you, as a Democrat, to vote because the ballot has no Republican candidate but two Democratic candidates, one of which will become your Mayor for the next four years.

Our polling place has moved again. We vote in the **WEST CHESTER PUBLIC LIBRARY** at the corner of W. Lafayette and N. Church Streets, NOT at the Elks Club where we voted last year for President.

Since I was young, I remember my father working tirelessly for this Borough and the Democratic Party. He served on Borough Council for eight years, two as President. Back then, I saw him work long hours to meet the Borough's needs, taking phone calls from anyone needing to know more about Borough government and its issues; he still does. My father has spent over a decade working for historic preservation and business improvement to keep West Chester a beautiful town in which to walk and spend time.

As Mayor, his main job will be overseeing the police force, a job for which he is more than capable. He has always been a man of honor and impeccable honesty. A direct product of his moral instruction, I know personally he will oversee the WCPD with the same ideals. His Army officer training and Viet Nam tour of duty provides excellent groundwork for the leadership needed as Mayor, and his subsequent decades as a Chester County lawyer give him a superb background in the law and its intricacies.

Currently a student at West Chester University, I know what it's like to be a young person on your own in this town. Soon to be married, I'm looking forward to caring for a family. Public Safety is a huge concern for me and many Borough citizens. I trust my father implicitly to oversee the police force with concern for all citizens. I've trusted my father to keep me safe throughout my life; now I'm asking you to do the same. Whether walking to school or into town, or just staying home with my wife-to-be, I'll feel safer with Bill Scott as my Mayor.

I hope you see, as I do, that Bill Scott is the most qualified, hardworking, trustworthy person to lead our Borough. Please vote for Dad on **Tuesday, May 19, 2009**. Thanks.

Your neighbor,  
*Henri Scott*
